# INSIST ON **VISE-GRIP** LOCKING HAND TOOLS

## Wire-Cutter

VISE-GRIP Wire-Cutter Models will handle anything up to a  $\frac{1}{4}$ " bolt. One bite will cut smaller wires—progressive bites will cut through the big ones.

## Locking Action

VISE-GRIP tools lock to the work, leaving both hands free. Properly adjusted, and locked to the work, VISE-GRIP tools won't slip. The powerful jaws and teeth hold on tight.

## Easy-Release

Every VISE-GRIP tool has an easy-release trigger. Just press, and the jaws snap open—ready to tackle the next job.

## Controlled Power

VISE-GRIP tools mean power. A simple hand squeeze can put one ton of controlled pressure between the jaws. VISE-GRIP tools make every job easier. They're the most versatile tools you can own.

## Quality Materials

Only the finest high-grade alloy steels are used in VISE-GRIP tools. Each tool is heat-treated for maximum toughness and durability, and each has a bright nickel-plated finish. VISE-GRIP tools are designed to give years of trouble-free service.

## Micro-Adjustment

VISE-GRIP tools can be adjusted for pliers action, or to lock on various sizes of material with just the right amount of pressure. Simply turn the micro-adjustment screw to fit the work.

## Locking Pliers-Wire-Cutter Models

SIZE	WEIGHT EACH	JAW THICKNESS	JAW ADJUSTMENT
10"	21 oz.	3/8"	1 7/8"

### No. 10WR—10" Long

Heavy-duty model for maximum strength and capacity.

SIZE	WEIGHT EACH	JAW THICKNESS	JAW ADJUSTMENT
7"	14 oz.	5/16"	1 5/8"

### No. 7WR—7" Long

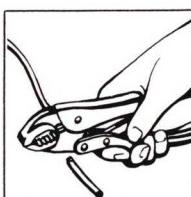

Medium-sized for all-around use.

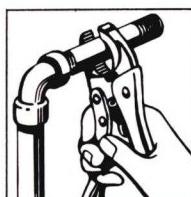

SIZE	WEIGHT EACH	JAW THICKNESS	JAW ADJUSTMENT
5"	6 oz.	1/4"	1 1/4"

### No. 5WR—5" Long

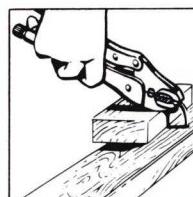

Lots of power in a small tool. Excellent for working in tight places.

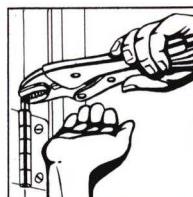

Use VISE-GRIP as a wire-cutter—progressive bites will cut 1/4" bolts.

Adjust VISE-GRIP for ratchet action—it's a non-slip pipewrench.

Lock VISE-GRIP to tip of headless nails—it will pull them when nothing else will.

Lock VISE-GRIP to door hinge pins—tap with hand and stubborn pins slide out.

# WISE-GRIP®

## Locking Pliers—Curved Jaw Models

SIZE	WEIGHT EACH	JAW THICKNESS	JAW ADJUSTMENT
10"	21 oz.	3/8"	1 7/8"

### No. 10CR—10" Long

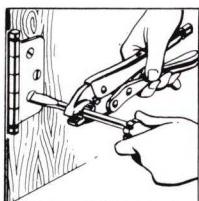

Heavy-duty. Involute jaw curve grips work of all shapes.

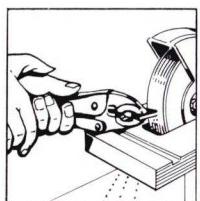

SIZE	WEIGHT EACH	JAW THICKNESS	JAW ADJUSTMENT
7"	13 oz.	5/16"	1 5/8"

### No. 7CR—7" Long

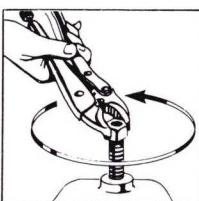

Medium-sized. Extremely versatile.

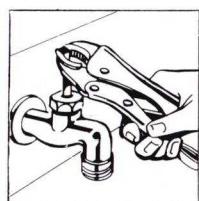

Lock VISE-GRIP on screwdriver—get added leverage.

Lock VISE-GRIP to small pieces for safer grinding.

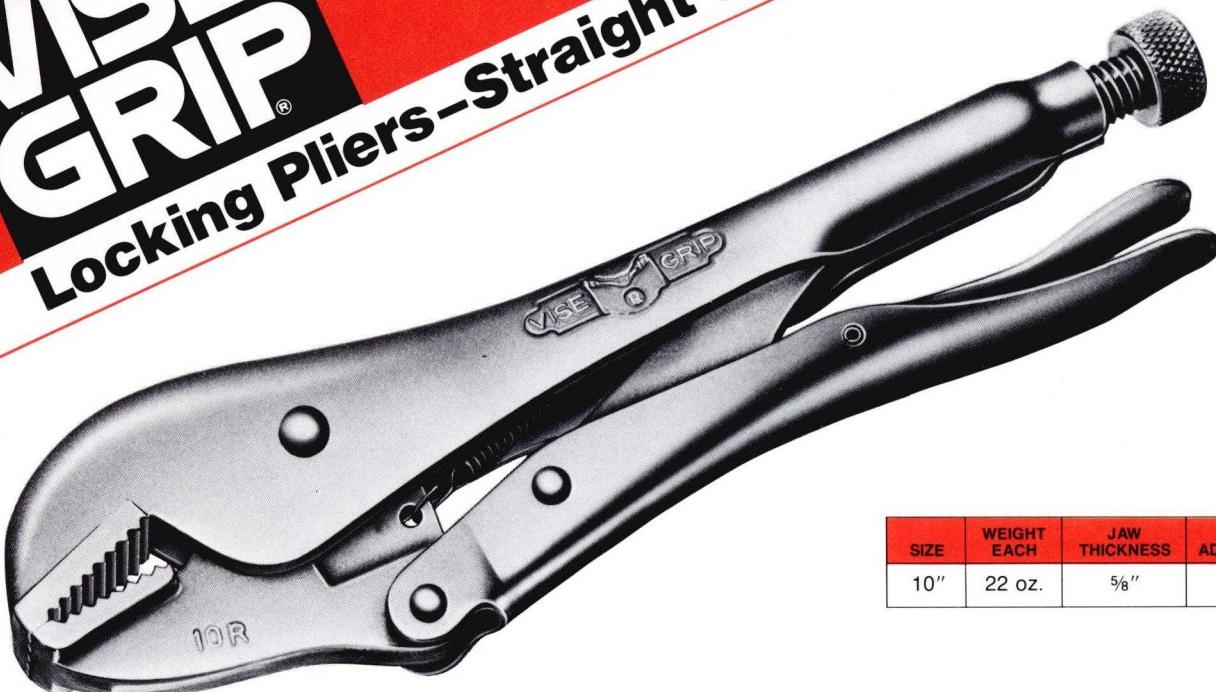

Lock VISE-GRIP to nut and give it a whirl—it's a speedwrench.

Lock VISE-GRIP to faucet stem—it's an emergency handle.

# WISE-GRIP®

## Locking Pliers—Straight Jaw Models

SIZE	WEIGHT EACH	JAW THICKNESS	JAW ADJUSTMENT
10"	22 oz.	5/8"	1 1/2"

### No. 10R—10" Long

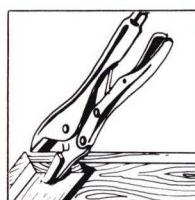

Modern version of the original VISE-GRIP locking pliers. Heavy-duty for the tough jobs.

SIZE	WEIGHT EACH	JAW THICKNESS	JAW ADJUSTMENT
7"	15 oz.	7/16"	1 1/8"

### No. 7R—7" Long

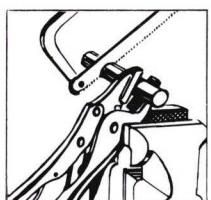

Big enough for most jobs—yet compact for versatility.

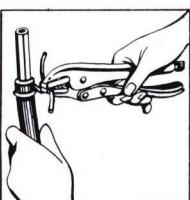

Clamp VISE-GRIP to wood—it will hold tight for gluing, nailing or drilling.

Lock VISE-GRIP to stud bolts—and turn them out quickly.

Lock VISE-GRIP to small work—it's a portable vise.

Lock VISE-GRIP to heavy-gauge wire—it's a super wire-twister.

# WISE-GRIp®

## Locking Specialty Tools

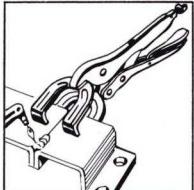

### Welding Clamp No. 9R

Frees both hands. Jaws lock and hold work in proper alignment. Deep throated, U-shaped jaws for visibility and working space.

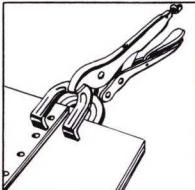

SIZE	WEIGHT	JAW	JAW
9"	25 oz.	2 3/4"	1 5/8"

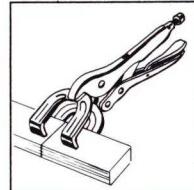

Hold pipe.

Hold metal for welding.

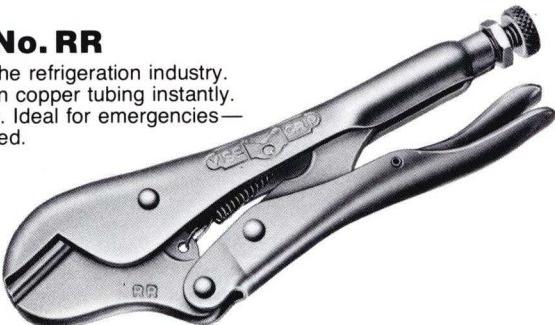

Hold metal for riveting.

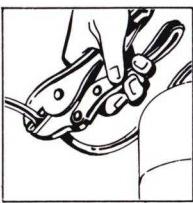

Hold bars.

### Pinch-Off Tool No. RR

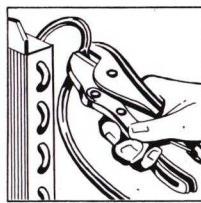

Specially designed for the refrigeration industry. Pinches off and locks on copper tubing instantly. Leaves both hands free. Ideal for emergencies—no shut-off valves needed.

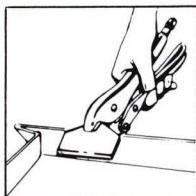

SIZE	WEIGHT EACH	JAW THICKNESS	THROAT DEPTH
7"	15 oz.	1/4"	1"

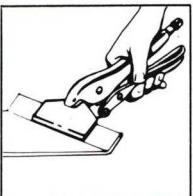

Pinch-off butane gas line.

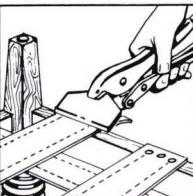

Pinch-off refrigeration tubing.

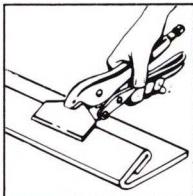

Make bread-pan corners.

Crimp edges.

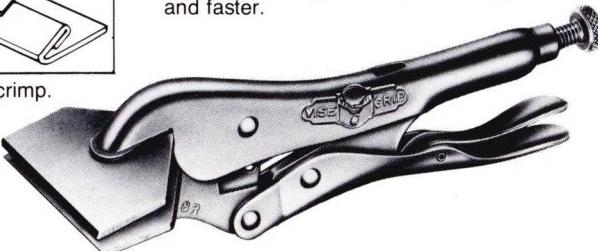

Stretch upholstery webbing.

Double-crimp.

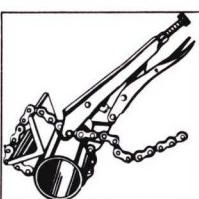

### Sheet Metal Tool No. 8R

Locks to work with powerful grip. Makes all kinds of bending, forming, crimping jobs easier and faster.

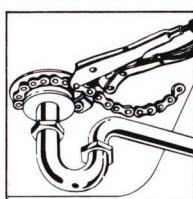

### Chain Clamp\* No. 20R

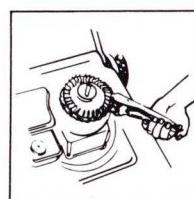

Holds and locks around any shape, any size. Adjusts quickly to ratchet action. Won't slip. Won't crush thin-walled tubing.

Hold odd shapes for welding and fabricating.

Work on plumbing in close quarters.

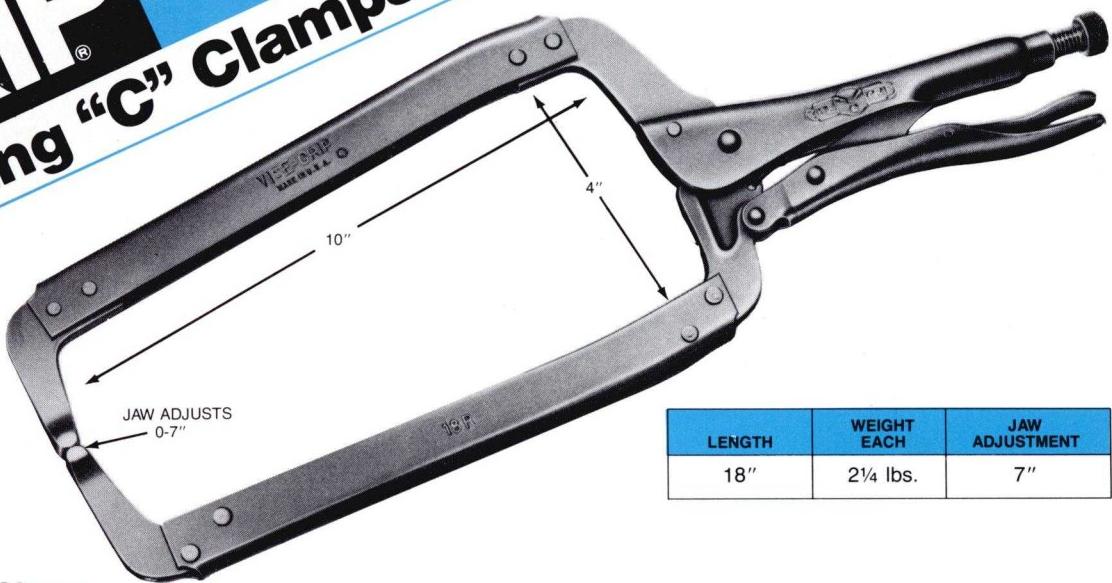

Remove flywheels or oil filters.

	NO.	WEIGHT EACH	CHAIN LENGTH
Chain Clamp	20R	30 oz.	19"
Extension Chain	20 EXT	11 oz.	18"

\* U.S. Pat. #3,192,804. Corresponding patents issued in foreign countries.

Contains 2 20R Chain Clamps, 3 11R "C"  
Clamps, 3 6R "C" Clamps, 1 8R Sheet Metal  
Tool, and 1 9R Welding Clamp. 15" x 29".  
**Order Display No. 10DB.**

## A matter of pride.

He arrived from Denmark in 1901. A blacksmith by trade.

He settled in DeWitt, Nebraska. Raised his family. And did all the things a blacksmith did in those days.

But Bill Petersen worked with more than his hands. In his mind was an idea. And the idea became the world-famous VISE-GRIP® hand tools.

To his idea, he brought skill and craftsmanship. And one more very important quality.

Pride.

Pride in his work. In his product. In his family. And in his employees.

A simple thing, pride.

But above all other things, it's what we still expect of ourselves today.

## Manufacturer's Warranty

All VISE-GRIP® tools, having passed a rigid factory inspection, are guaranteed against defects in materials and workmanship for one year from date of original purchase. Any VISE-GRIP tool that is abused, or used for purposes other than those for which the tool was designed, is excluded from this warranty. This warranty does not extend to consequential damages except where required by law. If a VISE-GRIP tool appears defective, it may be returned postpaid to the factory. If factory inspection determines that the tool is within this warranty, the tool will be repaired or replaced without charge. (Factory recommendation: an occasional drop of oil on all points of wear will insure better operation and prolong the life of the tool.)
